Introduction

The Australian Children's Education and Care Quality Authority (ACECQA) is an independent national authority that assists governments in administering the National Quality Framework (NQF) for children's education and care.

Under the Education and Care Services National Law ACECQA is responsible for publishing a list of approved qualifications under the NQF. Educators who hold a qualification that is not published on this list can submit an application to ACECQA to determine if their qualification is equivalent to an approved education and care qualification under the NQF. The NQF assessment is **not** for migration purposes.

ACECQA is also the approved assessing authority for the Child Care Centre Manager and Child Care Worker (group leaders only) occupations under the Skilled Migration Program. It is ACECQA's responsibility to set the Assessment Standards and complete skills assessments for applicants applying for a skilled migration visa under these occupations.

Skills Assessment Opportunities for Migrants (SAOM) Incentive

In 2022, the Australian Government engaged assessing authorities to provide free and fast-tracked assessments of the skills and qualifications of skilled migrants who are currently in Australia and are ready to commence skilled employment in priority Australian occupations.

The Skills Assessment Opportunities for Migrants (SAOM) Incentive will provide eligible applicants with access to government subsidised, fast-tracked skills assessments to support them to gain skilled employment in Australia. The incentive is being led by the Department of Education, Skills and Employment (the department) and the Assessing Authorities Quality Assurance (AAQA) function and commences on 28 February 2022 and ends on 16 June 2023.

ACECQA has been contracted by the department to provide free and fast-tracked skills assessments for the Child Care Worker (group leaders only) (ANZSCO Code 421111) occupation. These guidelines outline the assessment process and provide guidance to eligible applicants on how to submit a skills assessment application under the Skills Assessment Opportunities for Migrants (SAOM) Incentive for this occupation.

Eligibility

To be eligible to apply for a skills assessment against the Standards for the Child Care Worker (group leaders only) (ANZSCO Code 421111) occupation under the Skills Assessment Opportunity for Migrants (SAOM) Incentive you must:

- be currently residing in Australia
- be in Australia on an eligible visa (please refer to the list of eligible visa sub-classes below), that was granted on, or after, 1 January 2019
- be applying for assessment against the Standards for the Child Care Worker (group leaders only) (ANZSCO Code 421111) occupation
- not have undergone a skills assessment for the Child Care Worker (group leaders only) (ANZSCO Code 421111) occupation before with ACECQA or any other assessing authority, and
- be applying for a visa relevant to this skilled occupation.

Your skills assessment under the Skills Assessment Opportunities for Migrants (SAOM) Incentive is for employment purposes **only** and is a separate application process to [ACECQA's qualification assessment function under the National Quality Framework](#) (NQF).

Applicants who are eligible for a skills assessment under the Skills Assessment Opportunities for Migrants (SAOM) Incentive will not be required to pay a fee. You must provide evidence that you meet the eligibility requirements to receive a free and fast-tracked application under this incentive. We are unable to process your application until eligibility is confirmed. Failure to provide evidence of eligibility with your application may result in a delay processing your application.

Applicants who are not eligible for this incentive may still complete a [Migration Skills Assessment](#) application and pay the [application fee](#).

Assessment Standards

Under Sub regulation 2.26B (2) of the Migration Regulations 1994, ACECQA sets the standards against which a person's skills are assessed for the Child Care Worker (group leaders only) occupation. The Assessment Standards for this occupation are outlined below.

Child Care Worker (group leaders only) Assessment Standards

Qualification	An ACECQA nationally approved diploma level (or higher) education and care qualification.
Employment Experience Note: The employment experience needs to have been completed after you were awarded your qualification.	<p>Evidence of one year full time (or part time equivalent) employment experience as a Child Care Group Leader in a regulated early childhood education and care service.</p> <p>Expected responsibilities during employment include:</p> <ul style="list-style-type: none"> • provide education and care for babies, toddlers and children • lead the preparation of materials and equipment to support children's learning and development • provide experiences to support children's play and learning • develop positive and respectful relationships with children • ensure the health and safety of children • support and supervise the daily routines of children • support the inclusion of all children • support children to develop cooperative behaviour. <p>To ensure currency of skills, applicants will need to provide evidence of at least six months full time (or part time equivalent) experience in the past three years.</p>

Qualification Requirements

The assessment standards require applicants to hold an ACECQA nationally approved diploma level (or higher) education and care qualification. There are three ways an applicant can hold an ACECQA nationally approved qualification, these are:

- hold a nationally approved diploma level (or higher) qualification published on ACECQA's [NQF approved qualifications list](#)
- taken to hold an approved diploma or early childhood teacher (ECT) qualification under a former law in Australia
- hold a qualification that ACECQA has assessed and approved as equivalent to a diploma or ECT level qualification under the NQF.

The ACECQA [qualifications checker](#) may assist you to determine whether you hold an ACECQA nationally approved diploma (or higher) qualification.

Applicants that do not hold an ACECQA nationally approved diploma level or higher qualification will need to have their qualification/s assessed under the NQF. However, this will be completed as part of your skills assessment application, you **do not** need to submit a separate application or pay an additional fee.

The [qualification requirements](#) for assessments under the NQF can be found on the ACECQA website. Assessments under the NQF include a requirement for evidence of English language proficiency.

Application Process

The paper based application form can be found on the ACECQA website under the Skills Assessment Opportunities for Migrant (SAOM) Incentive section of the Qualifications tab.

Eligible applicants are required to complete the [eligibility checklist](#), [skills assessment application form](#) and supply the required supporting evidence.

ACECQA will confirm receipt of the application within 5 business days. This email will confirm whether the application is complete or whether additional information is required to complete your assessment. Failing to submit a complete application will result in delays processing your application.

ACECQA is committed to completing free and fast-tracked skills assessment applications for eligible applicants within 15 days from the receipt of a complete application. You will receive notification of your assessment outcome via email. If your application is successful, you will receive a certificate by mail. Your successful skills assessment will need to be provided with your visa application to the Department of Home Affairs.

If your application is unsuccessful, you will receive reasons for the decision, the steps you could take to be successful in future and information on the review process.

Your skills assessment is valid for a three-year period from the date of your assessment outcome. Should you require a skills assessment after this date, you will need to apply for a Migration Skills Assessment and pay an application fee.

Evidence of Eligibility

You are required to submit evidence of your eligibility to receive a free and fast-tracked application under the Skills Assessment Opportunities for Migrants (SAOM) Incentive. To demonstrate your eligibility, you must provide the following with your application:

- certified colour copy of your current eligible visa, and
- certified colour copy of your evidence of current residence in Australia.

Evidence of current residence in Australia

To provide evidence of your current residence in Australia you must provide formal documentation which displays your name and current home address details. If you are providing a letter, the letter should state how long the person has known you and include the person's direct contact information for routine verification.

Supporting Evidence

All documents need to be certified colour copies of the original document. If your documents are in a language other than English they will need to be translated into English. You will need to provide certified colour copies of both the original and translated documents.

The supporting evidence required as part of your application will depend on whether you already hold an ACECQA nationally approved diploma level (or higher) qualification or need your qualifications assessed under the NQF as part of your skills assessment.

Individuals that had their qualifications assessed and approved at diploma level or higher prior to 1 January 2012 (1 August 2012 in Western Australia) and were working in a regulated education and care service are taken to hold an approved qualification under the NQF. Certified documents

A certified document is a copy of an original document that has been sighted and signed by a person officially authorised to confirm that it is a true and accurate duplicate of the original document.

To certify your documents, you will need to take the original documents and colour photocopies of your documents to a representative who is authorised to certify them. The authorised person will sight the originals and the photocopies to ensure they are identical. The authorised representative must declare on each photocopy that it is a true copy of the original document.

Certified documents must:

- be colour photocopies of the original document
- be certified on each page of the document
- always be made on the front of the document. Documents should never be certified on the blank page on the back of a document
- list the authorised person's name, position or registration number (if relevant), date of certification and have the stamp or seal of the authorised person (if relevant)
- be legible with all text visible on the page
- be in English.

Who can certify documents?

If you are in Australia your documents must be certified by a person that is authorised to certify documents in the state or territory in which you are residing. Authorised persons may include, but are not limited to, a Justice of the Peace, Solicitor, Lawyer, Police Sergeant, Notary Public, Registered Health Practitioner (e.g. Doctor, Pharmacist) or a Member of an Australian Embassy or Consulate.

If you are overseas, your documents must be certified by a person who is legally able to certify documents in that country. All certifications must be completed in English.

Translating documents

If your documents are in a language other than English you must have these documents translated. ACECQA requires a certified colour copy of both the original and translated documents.

If the documents are translated in Australia, the translator must be NAATI accredited. You can locate your nearest [NAATI accredited](#) translator on the following website: www.naati.com.au.

If your documents are being translated overseas they must be translated by a person authorised to translate documents in that country.

Employment experience

You are required to submit evidence of your employment experience as part of your application. The number of years of full time employment experience required will depend on the occupation you are applying for. Please refer to the Assessment Standards to determine the number of years required as part of your application. The employment experience needs to have been completed after you were awarded your qualification.

You will need to complete an [Employment Experience Template](#) for all employment experience being claimed as part of your assessment. The number of templates submitted with your application will depend on whether your employment experience was with one or multiple employers.

You will also need to have your employer complete an [Employer Reference Template](#) for all employment experience being claimed as part of your assessment. The individual completing this form on your behalf must be the direct supervisor or other individual who oversaw or witnessed you performing the duties of your role. If your original Employer Reference Template is completed in a language other than English you must provide copies of both the original document and the translation to English.

To ensure the currency of skills, at least 6 months of full time (or part time equivalent) employment experience needs to have been completed within the past three years.

Review process

If you disagree with the outcome of your assessment you can request a review. The basis of your request for a review will determine whether you need to formally submit a review application and pay the associated fee.

We recommend applicants call their case officer to discuss their assessment outcome before submitting a review application. Your case officer will discuss the outcome of your assessment and advise the additional evidence required to review your application.

Reviews are assessed and approved by different ACECQA representatives to the original application.

Inadequate consideration of evidence

If you believe evidence provided with your application has been inadequately considered as part of your assessment this will be investigated by your case officer. If it is determined that evidence has been overlooked your application will be opened for review. You will not need to submit a review application or pay the associated review application fee.

If the case officer determines that all evidence was considered as part of the original assessment you can still have your assessment reviewed, however you will need to submit a review application and pay the fee.

If it is determined that a mistake was made with your original application, ACECQA will refund the review application fee.

Additional evidence to be provided

If you want to submit evidence that was not provided with your initial application you will need to submit a [Review Application Form](#) and pay the associated fee. Your case officer will advise what additional evidence is required to overturn the assessment outcome.

Authorised representatives & migration agents

You may nominate an authorised representative or migration agent to prepare, submit and speak to ACECQA on your behalf. All correspondence from ACECQA will be sent to both you and your authorised representative.

Your authorised representative (who is not a migration agent) will need to complete an [Authorised Representative Declaration and Consent Form](#). Your migration agent will need to complete a [Migration Agent Declaration and Consent Form](#). These declarations ensure that your representative understands that providing false or misleading information is an offence and that all information they provide is true and correct to the best of their knowledge.

Privacy

ACECQA will use the information you provide to make an assessment of your qualifications and employment experience for the purpose of skilled migration. ACECQA may need to disclose personal information to some third parties, including educational institutions, to verify the information you have provided in the application. In the case of a complaint or a challenge to the decision, ACECQA may need to disclose some information to a review body, for example, an ombudsman, court or tribunal. Personal information will be used and stored in accordance with the Australian Privacy Principles contained in the Privacy Act 1988.

In accordance with the Privacy Act 1988, we must also advise that if your skills assessment application is eligible for the Skills Assessment for Migrants (SAOM) Incentive, ACECQA may disclose your personal information to the Department of Education, Skills and Employment for the following two purposes:

- Purpose 1.** ACECQA would like to provide your contact details to the Department of Education, Skills and Employment so that they can send you an optional survey in August 2022 and January 2023. The survey will only take a few minutes to complete and will ask you about your employment arrangements. Your answers will not affect your application and will only be held by the department in a de-identified format to enable it to inform future skills assessment policy.

There is no impact to your application if you do not want your contact details to be used for this purpose.

Please be aware that if you do not consent to your information being shared with the Department for this purpose, ACECQA will not be able to accept or process your application under the Skills Assessment Opportunities for Migrants Incentive.

You will be requested to provide consent for these two purposes when you submit your application.

False or misleading information

You are responsible for ensuring the accuracy and validity of all information provided to ACECQA. Reasonable steps will be taken to verify the validity of all information and documentation provided. If ACECQA determines at a later date that information previously provided is false, misleading, non-factual or incorrect, and that in reliance on that information ACECQA has incorrectly assessed your application as successful, ACECQA may write to you to advise the assessment is no longer considered successful. ACECQA will also advise the Department of Home Affairs accordingly. ACECQA may also refer such matters to the appropriate government department or authorities for investigation.
